2024

AlonyHetz
Properties & Investments Ltd

- This presentation was prepared by Alony Hetz Properties and Investments Ltd. (**"the Company"**), and is intended solely for investors. It does not constitute an offer to purchase or sell securities of the Company or an invitation to receive bids, as noted, and is intended solely to provide information. The information presented does not constitute a basis for reaching an investment decision, recommendation or opinion and is not a substitute for the investor's judgment.
- The contents of the presentation, in all that relates to an analysis of the operations of the Company and its investees, is merely a summary, and in order to obtain a complete picture of the Company's activities and the risks with which the Company contends, one should review the Company's shelf prospectus, its immediate, periodic and quarterly reports that are reported through the MAGNA system (**"the public information"**). The presentation includes data and information that are presented and edited differently than the data included in the said reports or such that could be calculated from the data included in the Company's reports. The information presented herein is not a substitute for the public information.
- Forecasts, assessments, estimates, data related to future events, whose materialization is not certain and is not under the control of the Company and its investees, macroeconomic forecasts, development of trends in the real estate and energy markets, changes in rental prices and occupancies, changes in electricity prices and the quantity produced, revenue forecasts, calculations of NOI and FFO forecasts, the calculation of projected NOI and yield rates on a stabilized basis, dividends forecast for 2024, the initiation and construction of projects, including projects in the energy field (expected timetables, construction costs, data related to expected connection of plants to the electricity grids and future revenues), are forward-looking information, as defined in Section 32A of the Securities Law (1968), and such information is based solely on the subjective assessment of the Company, which was conducted in good faith, based on past experience and the professional know-how aggregated by the Company, based on facts and data related to the current state of the businesses of the Company and its investees, and on facts and macroeconomic data gathered by the Company from other sources, all as known to the Company when this presentation was prepared (**"forward-looking information"**).
- The materialization or non-materialization of the forward-looking information will be impacted, inter alia, by risk factors that characterize the operations of the Company and its investees, and by developments in the economic and geopolitical environment (globally in general and in Israel in particular), and therefore, the Company's operating results could differ significantly from that provided in this presentation.

AlonyHetz

Properties & Investments Ltd

CARR, One Congress, Boston

Focus on two sectors

- **Income-producing properties**
- **Renewable energy**

The Group companies **generate constant, stable and long-term cash flows.**

Conservative financial management policy - maintaining a high level of unpledged assets, financial liabilities with long-term durations, diverse credit sources, maintaining unutilized credit facilities and efficient leverage ratios.

The Group companies are engaged in the **development of projects** in accordance with the scopes determined by the boards of directors of the group companies.

The Group operates with an awareness of the responsibility for and consequences of its activities on the areas of **environmental protection, social responsibility and corporate governance.**

Alony Hetz

Key Events from Beginning of 2024
Until Publication Date of Report

- Issuance of ordinary shares and option warrants in consideration for NIS 1 billion (gross) and future consideration, assuming exercise of all the option warrants, totaling NIS 338 million. Of these, shares and option warrants were allotted to Mr. Aaron Frankel, constituting 10.23% of share capital and voting rights in the Company (11.26% on a fully-diluted basis).
- Investment in investees totaling NIS 649 million (of which NIS 456 million is to reduce debt and leverage rate in Brockton Everlast and Brockton Fund III).

- Signing of binding rental agreement whereby Google will lease 60 thousand sqm in the top part of the ToHa2 building, for a 10-year lease commencing in the first quarter of 2027.

- Completion of the Rent Review process in the Waterside House with M&S in which the tenant's rent was increased by 16%, commencing from July 2023.

- Signing of a new binding rental agreement with Fannie Mae to rent 342 thousand square feet (32 thousand sqm) in the Midtown Center building, for a 16-year period commencing in May 2029, with annually increasing rents according to the original lease agreement.
- Signing of a long-term lease for 120 thousand square feet in the Midtown Center building to one of the largest law firms in the United States, and in advanced negotiation for lease of a similar space with one of the world's leading law firms.

- Energix signed a strategic cooperation agreement with Google for the sale of electricity, green certificates and investment of a tax partner relating to Energix' future projects in the US with capacity of at least 1.5GW.
- Closing of the purchase of two projects in Pennsylvania, US, with total capacity of 200MWp.
- Closing of a financing agreement and investment by a tax partner for projects backlog totaling US\$530 million.
- Entering into a long-term financing agreement for two wind farms in Poland in commercial operation, totaling up to 830 million zloty, of which Energix has drawn down 825 million zloty.
